Re: United States v. James Cahill
20 Cr. 521 (CM)

Dear Judge McMahon:

The Court previously granted defendant James Cahill's ("Cahill") request to continue living at his home in Long Beach, New York until October 15, 2021. Living at this location continues to be beneficial to both Cahill's physical and mental health. For this reason and to allow him more time to close the house for the season, Cahill respectfully requests that he be permitted to continue to live in Long Beach through October 21, 2021. He has been fully compliant with all conditions of his release. Pretrial Services ("PTS"), by United States Pretrial Service Officer Andrew Abbott, consents to this application and the government, by Assistant United States Attorney Danielle Sassoon, defers to PTS on this application.

Thank you for Your Honor's consideration of this request.

Very truly yours,

Sanford Talkin
